**THERE'S A NEW FACE IN TOWN!**

**Jeannine Klingenschmitt, Manager @ The Right Bottle**

**SMYRNA, DE (November 05, 2012)** — The Right Bottle, Smyrna's premier liquor store, is excited and proud to introduce their new store manager, Jeannine Kleingenschmitt! Many of you will recognize her friendly face as our store's wine aficionado. In searching for a new store manager, they were thrilled to appoint her to the "top" store manager position!

Jeannine comes to us from Tampa, Florida, where she was born and raised. She moved to Delaware two years earlier with her husband, Trevor, a Senior Airman stationed at the Air Force Base in Dover, Delaware. In Florida, Jeannine worked at a local restaurant, serving up her special brand of "joi de vie" (*joy of life*); which we have all come to know and love!

Jeannine is currently studying at Wilmington University, where she has earned her accreditation in "World of Wines". Jeannine stated; "I am drawn to wine because of their unique qualities. I love how no two wines are quite the same. The dimensions and character levels each wine portrays is truly individual!" In addition she relayed, her favorite facet of working at the Right

Bottle is by far, the clientele! She said, "I find so much joy in helping our customers find just the right wine, for just the right occasion!"

To help in the welcome celebration for the new store manager, The Right Bottle has initiated a new Celebrations Campaign! The store is inviting everyone to join them on their Website and Facebook Page to share their Celebrations! Visit the website for details at [www.RightBottle.com](http://www.RightBottle.com) . Or, visit their facebook page at [www.facebook.com/TheRightBottle](http://www.facebook.com/TheRightBottle) to join in on the fun! Post your stories, photo's and upcoming celebrations and play along for great prizes and discounts!
